## **Ag in the Park Tomorrow**

Each year the FFA chapters of Linn County sponsor an activity called Ag in the Park at The Linn County Fairgrounds. The purpose of this activity is to educate the elementary kids (preschool through 3 graders) about production agriculture, safety, plants, how food is processed, small animal care, weather, natural resources conservation, and many more topics. Ag in the Park is being held tomorrow, Friday, May 9th from 9am to 2pm at The Linn County Fairgrounds.

Students will be able to experience the fascinating world of agriculture. They will have the opportunity to pet the animals; sample agricultural products; look at farm equipment; listen to presentations on topics such as safety, aquaculture, plants, soil and water conservation, pets, and beekeeping.
