The Linn County Fair Association is ran completely by volunteers and would not happen year after year without the countless hours put in from our dedicated and hard-working volunteers. Our Association Membership this year reached 43 members. Association members help year round with the planning and organizing of the fair. We are also looking for new Association Members, for more information go to <http://thelinncountyfair.com/fair-association.html>

We also have hundreds of volunteers that help during fair week with exhibits, shows, and educational projects. The 2013 fair reached approximately 12,000 volunteer hours recorded for the year. We are currently looking for volunteers to help with the 2014 fair. For more information and how to get involved go to <http://thelinncountyfair.com/volunteer.html>
